

## About Us:

As you are aware, Shanti Consulting Engineers, Vadodara is a recognized TRAINING INSTITUTE approved by Directorate of Industrial Safety & Health (DISH), Govt. of Gujarat, for conducting Safety Training Programs related to HSE as per Sec.111A of The Factories Act 1948. We have already conducted about 500 training programs since 2015 and trained more than 7000 employees in various industrial organizations in and around the State of Gujarat.

We are also pleased to inform you that our Institute is approved/certified by Labour, Skill Development & Employment Department, Govt. of Gujarat, for conducting **FIRST AID** training program under sec.45(3) of The Factories Act 1948.

## About the Training:

In case of an accident/injury, the injured person needs an immediate relief so that his/her condition does not get deteriorated, for which First Aid is needed. This program is organized to enable all the industries to have at least one person trained to provide First Aid in case of an emergency. This is also necessary to meet the statutory requirement as per section 45(3) of The Factories Act 1948.

The program will be to give exposure on theoretical as well as practical aspects of First Aid to the participants which in turn will help their industry, their colleagues, their surroundings and at home also.

At the end of the program a test will be conducted and a certificate will be issued to the successful participant in person. This certificate is valid for 3 years from the date of training and recognized by Govt. of Gujarat from Labour, Skill Development & Employment Department, Gandhinagar.

## Course Contents (for one day):

- Need for First Aid, Anatomy & Physiology of Human Body
- ABC of First Aid, Cardiac Resuscitation and Artificial Respiration
