SHANTI CONSULTING ENGINEERS PROFILE

located in the Garden city of Baroda of Gujarat, India, with an existence of **more than 3 decades** of operation founded by an International Man of The Year (1991) & an Udyog Ratan **Dr. P. T. Shah**

Recognition :

Dr. P. T. Shah with a wide experience of over **6 decades** in the field of Maintenance, Production and Inspection in the Tata's and Jyoti's Group and as an Self made Entrepreneur/Industrialist, a recipient of **Three Times National Award** for Import Substitution and as an Inspecting Authority along with his counterpart **HEMANT P. SHAH**, has rightly placed themselves, as one of the most **Competent** leading **Inspection and Certification** Authority

The team at **Shanti Consulting Engineers** has shown a perfect clear and clean **Professional Integrity**, which has gained them a recognition that has been extended by the Major Petrochemicals, Chemicals, Fertilizer, Refinery, Pharmaceuticals, Cements and Plastic industry and Govt. of India associated Statutory Bodies.

A brief list of our Clients, whom we have served and are still associated with us, talks good of our Competency & Commitment

Government of India under taking Petroleum & Explosive Safety Organization (**PESO** Department) and the **Director of Industrial Safety & Health (DISH)** department as well have extended their approval to inspect and certify the Critical equipments coming under their statutory requirements. Such approvals and authorities are very selective and cautiously endowed to few Organizations in the Country or as matter of fact any where in the World. Our Organization is one of those Professionals who have been awarded this faith and distinction.

SHANTI CONSULTING ENGINEERS COMMITTED TO PROVIDE PROMPT~EFFICIENT~EFFECTIVE~CLEAN~COMPETENT SERVICES
